Welcome to Terex Construction Portal.

At Terex, we are focused on producing quality capital equipment that delivers the productivity, return on investment and cost-effectiveness that today's value-conscious customers demand.

Terex markets more than 50 diverse and well-respected brands, which cover a broad range of equipment for the construction, infrastructure, quarrying, recycling, mining, shipping, transportation, refining, utility, and maintenance industries.

You have now entered our Terex Construction Portal, an extension to your tool box. The technical support site provides registered users access to current maintenance, parts and operational information. There are also links to Warranty Administration and Field Reporter.

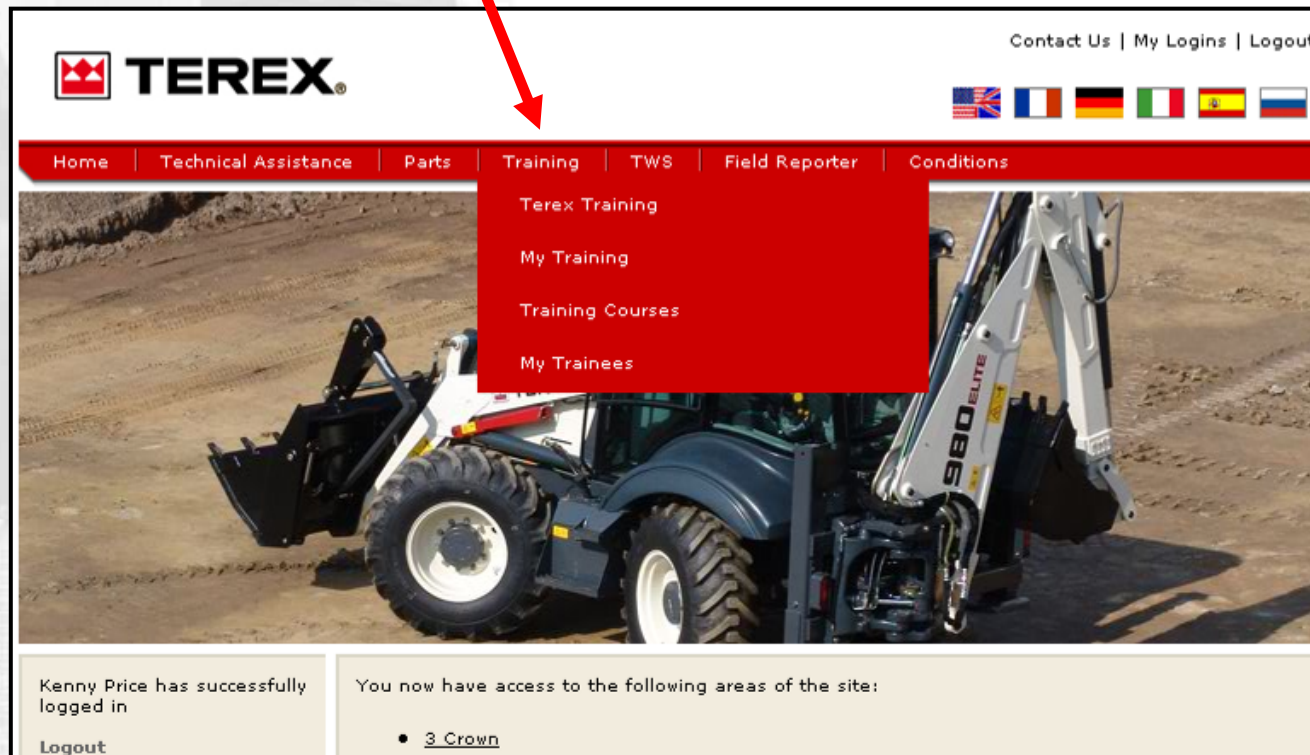

You can also view our extensive training schedule that is available to you, our valued customer.

Запрос курса: незапланированные курсы

В разделе "Запрос курса" ученик может сделать запрос на добавление курса, не запланированного расписанием.

Ученик может предложить три даты, которые были бы приемлемы для запрашиваемых курсов.

Менеджер Учебного Центра Terex получает запрос. Далее, сотрудник Центра действует в соответствии с потребностями клиента.

Менеджеру Учебного Центра Terex доступен просмотр потребностей клиента. Благодаря этой возможности, группа обучения может планировать учебные мероприятия с учетом потребностей.

The screenshot shows the 'Request A Course' form on the Terex website. The form is titled 'Training Courses > Request A Course' and includes a sidebar with 'Scheduled Courses' and 'Request A Course' options. The main form fields are: Course (Articulated Dump Truck Level 1), Location (Terex Centre of Excellence, Motherwell), Language (English (United Kingdom)), Number of employees expected to attend (5), Preferred Dates (18/11/2009), First Preference (18/11/2009), Second Preference (18/11/2009), and Third Preference (18/11/2009). A 'Request' button is located at the bottom of the form. A note states: 'Please note that this is only a request for a new training schedule to be listed. Due to the overlapping dates and course duration, you will NOT be automatically added if the course is scheduled.' The footer includes 'Home', 'Linking | Privacy | Terms & Conditions', and 'Terex is a Registered Trademark of Terex Corporation in the USA and many other countries. Copyright 2009 Terex Corporation. Подтверждение заявки: окно Дилерского Центра

В разделе "Подтвержденные заявки" будут выводиться заявки, принятые Учебным Центром Terex.

Но эти заявки остаются не до конца оформленными. Для завершения оформления нужно выбрать окно регистрации заявки и заполнить форму в окне командировочных процедур.

Если для обучения на курсе не нужна командировочная поездка и регистрация в гостинице, то процедура оформления заявки пропускает этот этап и переходит к этапу "Завершение оформления".

The screenshot shows the 'My Bookings' page in the Terex training portal. The page has a red header with the Terex logo and navigation links: Home, Technical Assistance, Training, TWS, Field Reporter, and Conditions. Below the header, there are language selection flags and a breadcrumb trail: My Training > My Bookings. A left sidebar contains links for My Training Profile, My Employment, My Bookings, and My Certifications. The main content area is titled 'My Bookings' and is divided into four sections: Complete Bookings, Confirmed Bookings, Provisional Bookings, and Requested Bookings. The 'Confirmed Bookings' section contains a table with one entry.
